"A Smart University"

The Objective of EAC

To create awareness among faculty and students of Engineering and Science courses about various facets of entrepreneurship as an alternative career option as also to highlight the merits of pursuing such an option.

ORIENTAL GROUP the most sought after name for quality education at Madhya Pradesh, has one more feather in its cap. It has been given the University status under section 2f of UGC, 1956 Act with effect from May' 2011. Having clinched the University status, the philosophy of Oriental University (OU) is to contribute in a broader sphere, thereby offering diverse courses in energy, civil aviation, refinery, environment, infrastructure sectors. The tenet with which Oriental University is marching forward is to develop responsible professionals who could be easily deployed in the industry.

About EDII

Entrepreneurship Development Institute of India (EDII), an autonomous and not-for-profit institute, set up in 1983, is sponsored by apex financial institutions. To pursue its mission, EDII has helped set up twelve state-level exclusive entrepreneurship development centers and institutes. One of the satisfying achievements, however, was taking entrepreneurship to a large number of schools, colleges, science and technology institutions and management schools in several states by including entrepreneurship inputs in their curricula. In view of EDII's expertise in Entrepreneurship, the University Grants Commission had also assigned EDII the task of developing curriculum on Entrepreneurship and the Gujarat Textbook Board assigned to it the task of developing textbooks on Entrepreneurship for 11th & 12th standards.

About the Project

The National Science & Technology Entrepreneurship Development Board (NSTEDB), Dept. of Science & Technology, Govt. of India has appointed Entrepreneurship Development Institute of India (EDII) as its National Implementing & Monitoring Agency (NIMAT) for the following programmes:

EDII as NIMAT will coordinate and monitor the above programmes for promoting entrepreneurship amongst Science & Technology target group through HRD and Entrepreneurship Development Strategy, at the national level. The major role of NIMAT is towards coordinating, organizing Advisory Committee Meetings, conducting Monitoring Committee Meetings, preparing progress reports from time to time and submitting the same to the NSTEDB.
