

ORIENTAL BUZZ

NEWSLETTER

ISSUE NO. OUI/NLB/2021/001

JULY – SEPTEMBER 2021

MESSAGE FROM EDITORIAL BOARD

Dear Readers,

We are back with yet another issue of The Oriental Buzz. There is always something or the other that keeps us busy, yet we manage to reach our readers. This issue has a lot of interesting Campus news which will tell you how our quiet-looking campus is always abuzz with activity under the surface.

It is the efficiency of our students and staff that so many activities of different flavors keep taking place, yet the schedules and daily activities do not get disturbed.

With the able guidance of **Hon'ble Vice-Chancellor** & support from the **HoDs**, we have tried to cover all the interesting activities on the campus. This issue covers all the relevant activity from **July – September**. Another issue will detail all the activity of **October – November 2021**. **January 2022** will witness the advent of a Monthly newsletter our very own “**Oriental Buzz**”.

I hope you enjoy reading the newsletter. We would love a feedback about the same from you. Your opinions and suggestions will help us to improve it further.

Do write us at:- pro@orientaluniversity.in

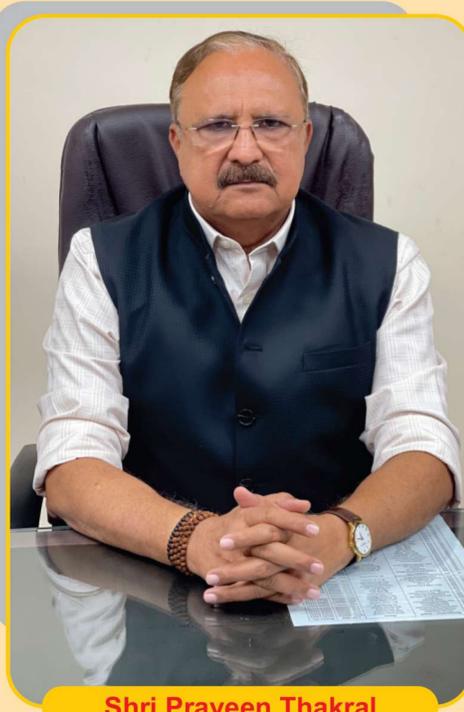

Happy Reading!

MESSAGE FROM HON'BLE CHANCELLOR

“Have great hopes and dare to go all out for them; have great dreams and dare to live them; have tremendous expectations and believe in them.”

- Norman Vincent Peale

Greetings to all students, colleagues, teaching and non-teaching staff of Oriental University. It gives me great pleasure to congratulate the Newsletter team for this achievement. The newsletter will be a rich source of information and news of the University.

Shri Praveen Thakral

I bow to the erstwhile chancellor, founder and a great visionary of the Oriental Group, **Dr. K.L. Thakral Sir!** He was a strong believer and practitioner of the dictum 'Knowledge is power'. After his sorrowful demise I took charge of my duties as Chancellor on May 04, 2021. As one of the founder members of the University, I can clearly see the academic journey of the university and witness its progress. Today it has carved a niche for itself.

In the arena of academics and holistic education, Oriental Group of Institutes is serving Central India since the last 25 years. The group has offered various gems to the society like Eminent Technocrats, Civil Judges, Educationists, and Academicians. An investment in knowledge pays the best interest! We at Oriental follow this practically in the interest of students and ultimately serve our society.

The prominent mission of the university is to be recognized internationally. In pursuit of this aim, the University marches ahead with its hardworking academicians. The core objective of the University is to serve humanity at large through the noble task of imparting Education.

A warm welcome to all those who aspire to be a part of the intellectual fraternity of The Oriental Group.

MESSAGE FROM HON'BLE VICE - CHANCELLOR

I congratulate the editorial team for bringing the second issue of e-newsletter with such enthusiasm and grace. This e-newsletter is a reflection of Oriental University's working details, academic progress and latest achievements.

The modern world is filled with possibilities of interdisciplinary approaches of technology, sciences, economics, management, and other areas. After a considerable experience in the field of higher education, I can specifically point out that our education system is devoid of the problem solving approach. Skills are meant for enhancing the work experience and learning to carry out tasks with more efficiency and confidence. Oriental University is working on developing skills and problem solving abilities among the students.

It is important to make the students practically adept. This is the duty of every educational institute. At Oriental University, skills and knowledge are catered to in a different way than usual which makes our young future leaders acquire sharpness, strength and maturity. From the very beginning, we follow the tradition of translating ideas into actions. We train our students and provide them ample opportunities to showcase their talents. We are girded towards creating an industry ready generation. Signing MOUs with various industries and organizations is a part of our working strategy.

Meritorious and energetic faculty members are the main assets of the University. Our

implementation of ideas and active engagements in academics have made us special in the Central part of India. Throughout Madhya Pradesh, we proved our mettle and have been conferred with the Best Private University Award in the year 2018. Our students are placed in various parts of the world and through their knowledge and innovative ideas they actively serve our society. This is how we cultivate scholars and inspire them to be winners.

The University is committed to providing the best education along with **Industry - Academia** exposure to ensure a bright future for every student. Research

activities will make them ready for forthcoming challenges in Technology / Agriculture / Society etc. We are preparing the students to face each and every challenge and overcome them with ethical solutions with the help of what they have learnt at Oriental University.

Prof. (Dr.) Sunil K. Somani

Jai Hind...

DEFEATING COVID TO STAND OUT DIFFERENTLY

COVID - 19 has been a traumatic time for each one of us. Every organization or business was equally intimidated wherein every industry suffered in one way or the other. Similarly, education sector was highly affected by this dreadful pandemic and we, as part of it also faced a number of challenges. In this ultra-digital world, we took the entire working of our university on the digital platform. The shift from manual to online was extremely difficult for all the staff and students but eventually it became the new normal. There were a lot many events that were held online and ran successfully in these crucial times too. The administration took the pandemic very seriously and made sure that the working of the university must not suffer.

EXAMINATIONS

The departments had a packed schedule. The faculties were busy in conducting semester exams all through the year. These exams were conducted online via exam portal. Things were very convenient and easy to the students and faculties as well through online mode. The atmosphere was such where teachers and students co-operated perfectly with each other.

EVENTS

Events are a part of motivation and encouragement for a University and Oriental has participated in every event very keenly. The departments conducted a number of programs for the welfare of students and faculties. Some of them are as follows:

FACULTY OF BUSINESS MANAGEMENT AND COMMERCE

Career Guidance Event

An event with the Mind groom Services Pvt. Ltd. Expert Director, Mr.Varun Vohra, was conducted by the Management Department on 12th & 14th July, 2021 via the Zoom app. The Faculty Coordinator, Dr. Manjari Gupta wonderfully hosted the program along with 68 participants and other faculties. The objective of this program was to help students to achieve their career goals by providing them knowledge of various career options, profile building, and awareness of certified courses.

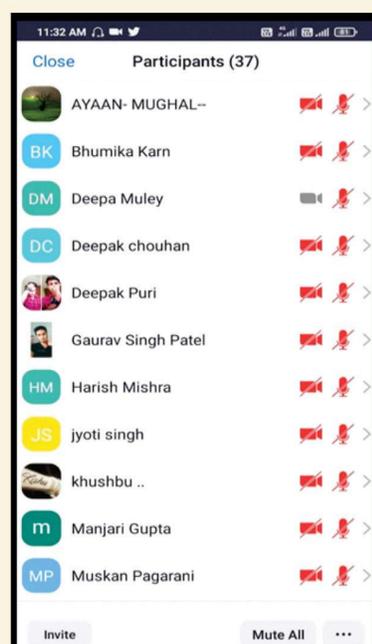

STUDENT INTERACTION SESSION

Oriental Faculty of Business Management and Commerce (OSBMC), Oriental University Indore also organized an interactive session with Mr. Sandeep Dalvi, Training and Placement Officer, Oriental University, Indore for the final year students of:

- B.COM (CA)
- B.COM (Tax)
- BBA
- BJMC
- MBA

Mr. Dalvi guided students for appearing in the interviews and updated them for the advanced training program

ORIENTATION PROGRAM FOR FINAL YEAR STUDENTS

As per the Academic Calendar of Oriental University Indore, Oriental Faculty of Business Management and Commerce (OSBMC) conducted an orientation program for the students of the final year as well as for the parents of the respective departments:

- BBA-V
- B.COM (CA)-V
- B.COM (TAX)-V
- BJMC-V

The session was very synergistic where all necessary relevant information for this semester was given to the students and parents through a PowerPoint presentation. Dr. Dheeraj Nim, HOD (OSBMC) hosted the sessions and addressed all queries and doubts of the students and parents for the semester.

Faculty attended orientation program:-

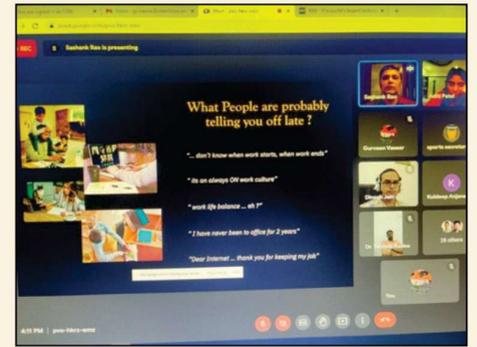

- Dr.Neelu Gupta
(Associate Professor OSBMC)
- Dr.Manjari Gupta
(Asst.Prof OSBMC)
- Mrs. Deepa Muley

FACULTY OF ENGINEERING

DEPARTMENT OF COMPUTER SCIENCE AND ELECTRONICS

Expert Lecture: When the world is developing digitally then why not us? The department of Computer Science conducted an expert lecture on the topic "Emerging Technologies and Industry-The secret recipe for careers", via Google meet on 29th July 2021. The session was presented by Mr. Sashank Rao (Partner and Industry Leader IBM India) who motivated and apprised students of the emerging technologies currently in the market and career opportunities that will help them to be successful. Dr. Gurveen Vaseer handled the program beautifully along with 45 participants.

OUI BGMI LEAGUE : Department of computer science in association with IEEE student branch successfully conducted a gaming competition for students. Around 60 students participated from various colleges and the winners were:

1. Team SPETSNAZ
2. Team Flame

FACULTY OF SCIENCE

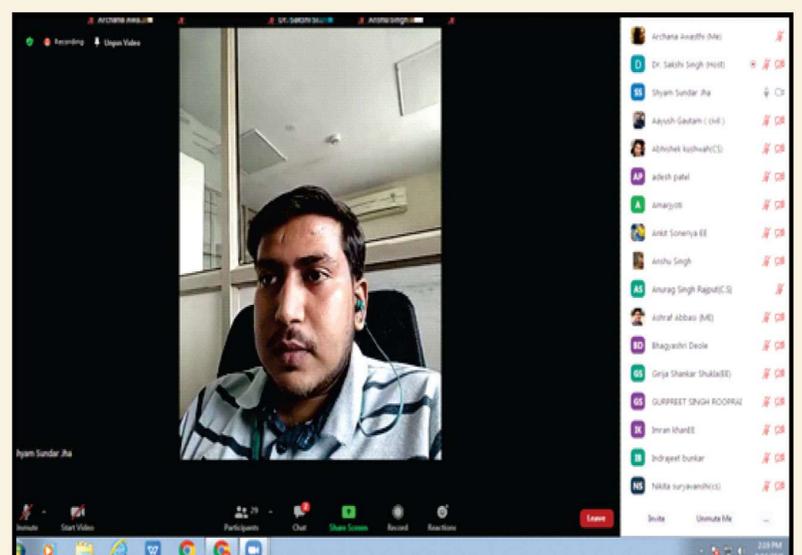

DEPARTMENT OF BASIC SCIENCE

The department of basic science warmly welcomed the students of 3rd and 5th-semester B.Sc. CS/IT by organizing an **Online Orientation Program** on 24th July 2021. Students were shown a brief presentation of the Basic Science Department, with a formal introduction of the department's faculty members. They were also informed about the commencement of regular online classes. A detailed explanation about LMS (Learning Management System) was given. University's learning portal for students was shared with glimpses of laboratories and co-curricular activities.

ALUMNI TALK

An Alumni Expert Talk was conducted by the department of Basic Sciences and presented by Mr. Shyam Sundar Jha, a Quality Control Executive at SGS India Pvt Ltd, Ahmedabad. The objective of the meeting was to inform students, how to face challenges and prepare them for the interviews.

FACULTY OF PHARMACY AND RESEARCH

Career Guidance Session:

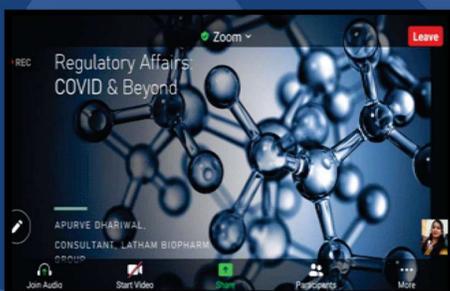

Pharmacy and Research Department conducted a Career Guidance Session (II and VIII Semester). The event was divided in two sections to accommodate second semester students 168 participants. Overall, the session was good and beneficial to students in every possible way.

Farewell Celebrations : A virtual farewell party for the batch of 2017-2021 was organized by the Oriental College of Pharmacy Research via Zoom app on August 24, 2021. The co-ordinators Dr. Nitu Singh, Ms. Deepika Bairagee conducted the program beautifully.

ALUMNI TALK ORIENTAL COLLEGE OF PHARMACY AND RESEARCH

A Virtual International Alumni Talk was delivered by Mr. Apurve Dhariwal on June 5th 2021. Mr. Apurve Dhariwal is currently working as Consultant, Product Development, Latham Bio-Pharm Group, Cambridge, Massachusetts, USA. The session began with the virtual floral welcome of Mr. Apurve Dhariwal. He explained to the students how to shape and plan their efforts to become successful professionals. On the technical front, Mr. Dhariwal covered various interesting areas like.

- Introduction to Drug Regulatory Affairs (DRA).
- Role of DRA during COVID Pandemic.
- How the DRA and its role is different in other countries.

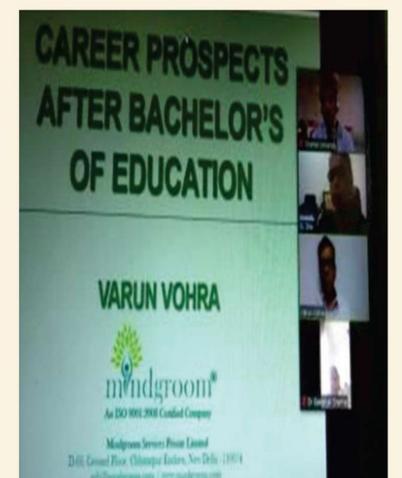

FACULTY OF EDUCATION

Similarly, the Department of Education also conducted an Alumni meet where Dr. Jyoti Gangrade co-ordinated the program and Mrs. Kanchan Tare, Principal of Sri Sri Ravishankar Vidya Mandir Indore was invited to join as the presenter.

CAREER COUNSELING

Faculty of Education, Oriental University, Indore organized an online session on the topic 'Career prospects after Bachelors of Education'. It was held on Tuesday, 20th July 2021 via the ZOOM App. Overall; the session was interactive and thought provoking for the students. Glimpses of the event are placed below for your reference.

PROFESSIONAL GROWTH

Chandan Banawade from Oriental Institute of Science and Technology (Department of Basic Science) completed one month Cyber Security Summer Internship

Shivam Pal from Computer Science and Electronics department got placed in TCS.

Suyash Shukla from Computer Science and Electronics department got placed in Nano Systems Consultancy P.Ltd.

1. Ayush Pal
2. MohitWagh
3. Purvi Singh
4. PushkarVishwakarma
5. Ravikant
6. Tanishq Trivedi

And many more students were placed with some great brands in the market.

COMMON EVENTS

RENEWABLE ENERGY DAY

Oriental University organized an online quiz via Google meet, on the occasion of National Renewable Energy Day, 2021 for the students from different streams.

INDEPENDENCE DAY

The University celebrated 75th Independence Day with great enthusiasm. The program consisted of a beautiful dance, few speeches and a melodious song.

LIBRARY DAY

The University celebrated National Librarian's Day 2021, on 12th August 2021, on the occasion of 129th Birth Anniversary of Padma Shri Dr. S.R. Ranganathan.

WORLD OZONE DAY

The **World Ozone Day**, was observed on September 16, 2021 with Faculty of Agriculture, Oriental University arranged a **Saplings' plantation drive** near Poly-House/ Net House in University Campus. It was participated by faculties of the University under the overall leadership of the Vice-Chancellor Prof.(Dr.) Sunil K. Somani.

It is extremely important to give the future generations, a healthier and cleaner environment which in turn will make a greener earth. The

organization of such nature oriented drives would create a good sense of social responsibility among our students towards Mother Earth and its environment. Ozone layer depletion is causing a great damage to the planet and hence, efforts are needed to restore the same. These initiatives would help in creating more awareness about the importance of growing trees to prevent global warming and thereby reduce pollution.

WEBINAR BY HON'BLE VICE-CHANCELLOR

A webinar was conducted by the honorable Vice-Chancellor on 30th August, 2021 via the Zoom app. The topic of discussion was Decision Making Tools and Techniques. All the faculties participated actively in the session.

TALENT HUNT COMPETITION FOR A TELEVISION SHOW

Oriental University hosted a major talent hunt show facilitating audition of talented youth of Indore with creative bent of mind in the field of dance, music and modeling. The event was organized and managed by M/s Fame & Glory Pvt Ltd., Mumbai.

The organizers selected 25 participants, groomed them for a week and finally, the shooting of the performances took place which was inaugurated jointly by Ms. Himani Shivpuri, a Bollywood Celebrity, Registrar of the Oriental

University as well as Managing Director of the Event management company. Some of the budding contestants /participants gave extraordinary performances which the celebrity immensely applauded while thanking the University management for being supportive to the cause for the sake of Society.

The strength of the audience was kept low and Covid-safety measures were fully followed during performances and in the seating arrangements maintaining social distancing.

ACHIEVEMENTS OF FACULTY MEMBERS

We congratulate the following faculty for successfully completing their respective courses and standing out brightly in their respective fields!

- **Dr. Dolly Thankachan**
("Roadmap for Patent Creation")
- **Shashi Pratap Singh Tomar**
(Faculty Development Programme and Technical writing and enhancing your research)
- **Monika Singh**
(Faculty Development Programme)
